Red

Black

- A solid rubber compound featuring a large-hole drainage system and a textured top surface that facilitates drainage and minimizes slippage.
- Broad bevelled borders on all 4 sides are an integral moulded part of the mat and serve to minimize tripping hazard.
- Available in 2 versions:
 - (1) Black mat is grease-resistant and carries a 1-year warranty.
 - (2) Red mat with extra nitrile content is grease-proof and carries a 3-year warranty.
