

755 NIRU® VERSA RUNNER® • BEST

Ideal for heavy-traffic areas such as food preparation. Easy to cut on site for custom installations. Ideal for long runs where a low profile is needed for carts.

- The industry's first and most durable, rubber runner features slotted holes for drainage, a wiper-blade underside for traction, and raised knob surface to enhance comfort.
- Designed to withstand chemicals while creating a slip-resistant work surface.
- All colours are grease-proof featuring 100% nitrile compounding.
- Non-slotted version available as special order.
- Overall thickness is 3/8".
