

Sunbear is our high-value indoor wiper/scraper mat that uses a woven and tufted construction for its luxurious, carpet-like appearance. 100% polypropylene fibres make Sunbear durable and highly stain-resistant, and the 100% PVC vinyl backing make it completely impervious to water seepage through the face of the mat itself.

Dark Grey

Dark Grey finished with Grizzly Edge

- Standard widths of 3FT or 6FT; **made-to-order custom lengths and widths!**
- Total overall weight of 83 oz per sq yd (0.58 lbs per sq ft)
- Overall thickness of 6mm (excluding edging)
- Inherently mold and mildew resistant due to non-absorbent polypropylene construction
- Sturdy all-vinyl backing prevents water flow-through the mat to the floor beneath.
- Finished with our heavy duty extruded vinyl ramped edging in Grizzly Edge or Cart Edge
